**Catalog Number:** ASC34X3/T/BL  
**Product ID:** 7TCA296000R1540  
**EAN Number:** 05020963014970  
**Status:** Active

Adaptaseal Rotational Inspection T-Piece, Nominal Conduit Size 34mm, Polyamide (Nylon) 66, Black

#### North American Specifications (UNSPSC)

|                  |                                                           |
|------------------|-----------------------------------------------------------|
| UNSPSC           | 39131717 Electrical conduit elbow                         |
| IGCC             | 5746 Electrical conduit elbow                             |
| Brand Name       | Adaptaflex                                                |
| Type             | T Shaped Conduit Fitting for Coarse Pitch                 |
| Special Features | High Impact Resistance and Very High UV Protection        |
| Application      | For Coupling Three Flexible Conduits in a T Configuration |
| Material         | Polyamide/Nylon 6.6                                       |
| Color            | Black                                                     |
| Trade Size       | 3 Connections - NC 34mm                                   |

#### European Specifications (ETIM)

|                           |                                               |
|---------------------------|-----------------------------------------------|
| ETIM                      | EC001172 Coupler for corrugated plastic hoses |
| Material                  | Plastic                                       |
| Material quality          | Polyamide (PA)                                |
| Operating temperature     | -40-+120°C                                    |
| Degree of protection (IP) | IP67                                          |
| Model                     | T-piece                                       |
