CRAFTED WITH QUALITY™

Since 1926, professional painters have been turning to Bestt Liebco® for tools they can trust. Our quality applicators are competitively priced to meet the needs of today's painting contractor.

For the 80-plus years we've been in business, professional painters have asked for our products by name, because their livelihoods depend on our reliability.

Reputation Founded as Lieberman Brush in Philadelphia, Liebco Brush quickly became a nationally recognized name in the painting trade as professional painters throughout the country sought out our brushes and spread the word. In 1969, Liebco acquired America's first and finest roller company, Bestt Roller of Fond du Lac, Wisconsin, and became Bestt Liebco®, a full-line paint applicator company. Commitment to providing the finest quality products at competitive prices has proven to be our formula for success. Our customers

recognize Bestt Liebco® as the "Best Value in the World" in paint applicators.

Sales Support Our professional, well-trained, national sales force can assist you in growing your customer base and providing you with timely, accurate product information. As knowledgeable painting tool experts, they will also help your employees easily understand our product line, and provide them with the information and the expertise they need to sell better-grade applicators.

FOR A PROFESSIONAL FINISH

TRU-PRO®

— () —
CRAFTED WITH QUALITY™

Tru-Pro® brushes and roller covers are engineered specifically for today's professional painter. We expertly blend the finest materials to create brushes and roller covers that hold and release more paint to get the job done fast while applying a smooth, professional finish. Tru-Pro® applicators deliver high performance that professionals can rely on.

NYLON / POLYESTER BLEND BRUSHES

Formulated with a blend of the finest solid round and tapered (SRT) filaments, these versatile brushes are designed to provide a smooth finish with all types of paint. For interior or exterior use, Tru-Pro Nylon / Polyester brushes are extremely durable and get the job done faster.

Chinex® / Polyester Blend brushes are designed for use with all paints, and are easy to clean.

NATURAL BLACK CHINA BRISTLE BRUSHES

Our carefully selected 100% natural black china bristle brushes allow for easy application of fine oil paints, stains, varnishes, shellacs, lacquers, and polyurethanes. These brushes are designed to hold and release more paint, while the naturally tapered and flagged tips provide an expertly smooth finish.
