WHEN PERFORMANCE MATTERS MOST™

GLOBALMARK 2 LABEL MAKER

GlobalMark® 2 Industrial Label Maker

The GlobalMark® 2 Industrial Label Maker gives you the power to produce whatever professional signs and labels you need, wherever and whenever you need them.

A visual workplace- There is no substitute for a specific message that clearly delivers critical information, at the precise point of need. The GlobalMark 2 Printer plays a critical role in many lean programs including 5S, Standard Work, Total Productive Maintenance, Quick Changeover, Kanban etc.

As a result you:
• Improve Safety
• Enhance Productivity
• Reduce Costly Errors
• Increase Profitability

The GlobalMark 2 Printer helps ensure that lean and six sigma improvements remain clearly visible, readily understood and consistently adhered to, long after programs are initiated.

Exactly the message you need, when you need it. When you need a sign or label, you need it now – you don't want to wait a day or a week for a custom order. With the GlobalMark® 2 Industrial Label Maker Wizards, just touch, print, and get the message you need – right now – with built-in templates, graphics, and applications for:

• Pipe Markers

WORKPLACE SAFETY AND COMPLIANCE SOLUTIONS

As a global leader in identification and workplace safety, Brady is a resource you can trust for Safety, Facility and Regulatory Compliance Solutions to protect your premises, products and people. Brady has been providing remedies for global ecological disasters with our range of sorbent and spill containment products. Our regulatory compliance solutions include lockout/tagout devices for hazardous energy control, industrial printers for creation of safety signs and labels, sorbent and spill containment for cleaning up spills, customized pipe markers and glow-in-the-dark emergency egress markings for your facilities.

Brady is your trusted safety solutions advisor. Because like you, we want your workers to be safe.

Safety Sign & Label Printers

Brady's industrial printers and label makers offer reliable, on-demand labeling solutions for any industry. Designed with thermal transfer printing capabilities, Brady's printers create clear, professional-looking labels, signs and tags - with the durability to withstand even the harshest environments. Whether it's a small handheld printer or a large, multi-color industrial printer, Brady has an easy-to-use label printing solution to fit your needs.

Safety Signage & Regulatory Markings

As a global leader in facility signage, there's no other company that can help you communicate critical information better than Brady. We offer more than 8,000 different signs for safety, maintenance and facility identification. Brady signs feature bright colors, bold text and intuitive pictographs to ensure that the communication is highly visible and easily understood. The signs are compliant with the latest standards and regulations, and designed to withstand even the harshest industrial environments. Brady also offers a comprehensive collection of pipe and valve marking supplies, tools and identification systems to help workers trace process problems and find solutions faster. Together with a full line of electricity free photoluminescent signs ideal for areas with possible electrical power failure.

Anti-skid Tape & ToughStripe® Floor Marking

Brady offers thousands of high performance labels, markers and tapes that can help your company communicate important safety and facility identification messages. Protect your employees from accidental slips, trips and falls with Brady's sure traction and high visibility warning Anti-Skid Tape. ToughStripe® Floor Marking Tape is perfect for high and heavy traffic areas in your facility. It is test-proven to withstand forklift traffic better than other tape-based floor marking products.

SPC Sorbents & Spill Containment

Brady's SPC sorbents & spill control products help you keep your employees and work environment safe from unexpected spills, leaks, drips or other accidents. SPC sorbents are available for cleaning up oil, water and chemical based spills. Select from traditional polypropylene or eco-friendly Re-Form™ sorbents and spill kits to help comply with the latest OSHA and EPA safety regulations.

Lockout / Tagout (LOTO)

The world leader in lockout/tagout products and services, Brady offers a broad range of durable, easy-to-use lockout devices that cover most mechanical and electrical applications. In addition, Brady covers other critical aspects of a compliant, effective energy control program by providing innovative solutions for training employees, creating documented procedures, and identifying energy sources. Brady's services help companies with limited resources quickly get their program up to speed, ensuring that lockout activities are implemented in a way that promotes optimum safety while maximizing efficiency and reducing downtime.
