

LYRIQ KEYPAD IN STUDIO DESIGN, LIGHT ALMOND

AU5009-LA | [On-Q](#)

FEATURES & BENEFITS

When installed with the LyriQ Audio System, the keypad delivers high-quality sound inside the home. It features enhanced performance with two on-board class D amplifiers and convenient backlit buttons to indicate unit status. The keypad also enables direct selection of the local source, as well as a convenient whole house button and an RJ45 connection for easy Cat 5 based installation.

- **Presented in the Studio Design.** Blends seamlessly with additional Studio products such as Selective Call Intercom, Cameras and the Unity Home System.
- **Contains an RJ45 connection for easy Cat 5 based installation.**
- **Enhanced performance with two 7.5 W per channel (class D) amplifiers.**
- **Select the local source input directly from the keypad.**
