

59431J**#6 WINGED YELLOW VINYL ANCHOR**

UPC: 085937083340

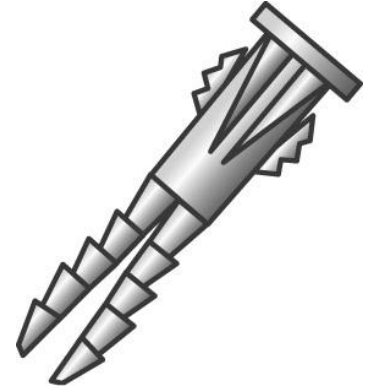

Country of Origin:

UNSPSC: 31162103

Not Available

Commodity: Wall anchors

An injection-molded anchor with a ribbed shank which resist "backing-out" after installation and longitudinal slits along the shaft which allows the anchor to expand when a screw is inserted.

**Product Attributes**

Brand Name	Minerallac Company
Sub Brand	Cully
Type	Plastic Anchor
Special Features	Plastic anchors are a more economical, light-duty part than steel hollow wall anchors.
Application	Designed to be used in sheetrock, plaster, brickwork, concrete, or tile. The shape of the collar allows plastic anchors to also be used in hollow materials.
Size	#6
Length	0.750" IN
Drill Size	3/16" IN
Material	Plastic
Finish	Yellow Dyed

Item Status: Active

Standard Qty: 100
