

60610

3/8 S LAG SHIELD

UPC: 085937606105

Country of Origin:

UNSPSC: 31162104

China

Commodity: Screw anchors

A two-piece assembly made of two semi-cylindrical hollow sections interlocked at the top, allowing the shield to expand when in place. The bore of the shield is tapered, has an internal thread, and has a ribbed outer surface to resist "backing out".
