

Southwire®

PRODUCT SPECIFICATION

CATALOG NUMBER:	See table below																																							
DESCRIPTION:	POLAR/SOLAR® extension cord with power indicator light in the cord connector																																							
APPROVALS:	UL Listed and CSA Certified Outdoor Use Cord Set																																							
CONSTRUCTION PARAMETERS:																																								
Cable type:	SEOOW, see table below for gauge																																							
Cable jacket material:	TPE, yellow																																							
Cord rating:	Extra Hard Usage per the National Electrical Code																																							
Cable legend type:	Indent print																																							
Attachment plug configuration:	NEMA 5-15P																																							
Cord connector configuration:	NEMA 5-15R																																							
Plug and connector material:	Clear PVC, with neon power indicator lamp in the connector																																							
ELECTRICAL AND ENVIRONMENTAL PROPERTIES:																																								
Cable temperature rating:	-50 to +105 °C																																							
Nominal operating voltage:	125 VAC																																							
Maximum operating current:	See table below
