Be the first to **Write a Review**

The Milwaukee® Rasping Job Saw is the only job saw on the market to integrate rasping holes along the side of the blade to rapidly expand holes or smooth rough edges of sheetrock after a cut has been made. Complete with rubber over mold to increase comfort and reduce hand slippage, the new saw also features a thick 6" plaster/drywall blade for increased durability and life.

## Includes

- (1) Rasping Job Saw

FIND RETAILERS
