

# Mini-Com® MuTOA 6-Port Outlet Box

## specifications

MuTOA 6-Port Outlet Box shall deliver a 6-port multi-user telecommunication outlet assembly when used with three ½-sized sloped inserts, providing multimedia flexibility to open office environments. The expandable cable entry shall increase compatibility with various cable diameters that shall be secured in place by cable ties or heat shrink tubing. Mounting options shall consist of adhesive tape, optional magnet or screws. Two mounting eyelets shall help suspend the box in areas with limited wall surfaces.

## technical information

<b>Dimensions:</b>	7.90"H x 1.81"W x 2.36"D (200.7mm x 46mm x 59.9mm) – with inserts
<b>Mounting options:</b>	Adhesive tape, optional magnet (CSBM-X), mounting eyelets or screws Screw holes spaced 4.70" (screws not supplied by Panduit)
<b>Material:</b>	Polycarbonate
<b>Packaging:</b>	Two cable ties, heat shrink tubing, adhesive tape, screws to secure cover to base

## key features and benefits

<b>Modularity</b>	Accepts all Mini-Com® Modules for copper, fiber and A/V applications; modules snap in and out for easy moves, adds and changes
<b>Expandable cable entry</b>	Compatible with a variety of cable types and bundle sizes Opening will adjust from 0.695" (17.7mm) to .825" (21mm)
<b>Mounting options</b>	Mounts easily with adhesive tape, optional magnet or screws (not supplied by Panduit)
<b>Mounting eyelets</b>	Helps suspend the box in areas with limited wall space
<b>Cable tie support slot</b>	Facilitates quicker assembly and contributes to lower installed cost

## applications

The Mini-Com® MuTOA 6-Port Outlet Box is ideal for open office environments that require design flexibility or experience frequent reconfigurations. It can be used in conjunction with pre-assembled cable runs that have been previously tested and labeled allowing faster, more economical and more

reliable installations. The Mini-Com® MuTOA 6-Port Outlet Box will accept up to three ½-sized sloped inserts, shuttered or non-shuttered (sold separately). Various mounting options provide installation flexibility for frequent office reconfigurations or challenging environments.
