

INSULATING BUSHING

Split Insulating Bushings - Polypropylene

B39.1

Catalog #: 1410USP

APPLICATIONS

Don't sweat it, just split it! RACO's Universal Split Bushing can be installed after wires and cables are pulled. Install on fittings, threaded or unthreaded Rigid/IMC, or EMT conduit. The innovative design lends a quick and easy installation, especially where space is limited.

PRODUCT FEATURES

- Code-saver
- Patent-pending locking mechanism and hinge
- One-piece design: no need to fumble with extra pieces
- Easy, quick installation
- Low profile design
- No more damaged bushings during wire pulling
- Rated to 105° C
