

Fluke FC DMM kits

Fluke 289/FVF/IR3000 Connector Combo kit

Fluke 287/FVF/IR3000 Connector Combo Kit

Fluke 280 Series FVF Combo Kit NOW includes the ir3000 wireless connector

- The 287 and 289 /FVF kit now includes the Fluke ir3000 FC Infrared Connector, allowing you to share live measurements on your iOS or Android smart device with the Fluke Connect mobile app.
- The two combo kit gives you a practical and affordable approach to predictive maintenance.
- Maximize productivity with the combined Fluke 280 Series / FlukeView forms combo kits and ir3000 connector.
- With built-in data logger and TrendCapture capability, the 280 Series helps you track down elusive, intermittent problems, monitoring equipment with any of its functions while you do other jobs. Turn your data into meaningful graphs and tables for a professional report.
