E-Rated PT Fuse

JCX-3E

UPC:051712694223

Dimensions:

- **Height:** 1 IN
- **Length:** .41 IN
- **Width:** .41 IN

Weight:.1 LB

Warranties:

- Not Applicable

Specifications:

- **Type:** Current limiting
- **Application:** Medium voltage transformer primary protection, medium voltage feeder circuit protection, MV switches, medium voltage metal-enclosed switchgear
- **Amperage Rating:** 3A
- **Voltage Rating:** 2400V
- **Interrupt Rating:** 60 kAIC
- **Fuse Indicator:** Non Indicating
- **Packaging Type:** Standard
- **Maximum Design Voltage:** 2750V
- **Element:** Single
- **Diameter:** .41 IN
- **Class:** Class E
- **Barrels:** 1
- **Connection:** Ferrule end X ferrule end
