

PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION

Part Number:

1301250009

Status:

Active

Overview:

Aero-Motive Wire-Rope Festoon Systems

Description:

Wire Rope Festoon Saddle Assembly (.490-.910") Diameter

Documents:

RoHS Certificate of Compliance (PDF)

|                                |                                       |
|--------------------------------|---------------------------------------|
| General                        |                                       |
| Product Family                 | Festoons                              |
| Series                         | 130125                                |
| Cable Height - Maximum         | 23.11mm (.910")                       |
| Combined Cable Weight-Max./Car | 4.08kg (9.0 lb)                       |
| Component Type                 | Car - Intermediate                    |
| Depth                          | N/A                                   |
| Duty                           | Light                                 |
| Height                         | N/A                                   |
| Length                         | N/A                                   |
| Overview                       | Aero-Motive Wire-Rope Festoon Systems |
| Product Name                   | Aero-Motive                           |
| Type                           | Wire Rope                             |
| UPC                            | 78678805122                           |
| Woodhead                       | Yes                                   |
| Physical                       |                                       |
| Material - Metal               | N/A                                   |
| Material - Resin               | Nylon                                 |
| Material - Wheel               | Steel - Sealed Ball Bearing           |
| Net Weight                     | 56.699/g                              |
| Packaging Type                 | Individual Carton                     |
| Saddle Radius                  | N/A                                   |
| Thread Size                    | N/A                                   |
| Travel Speed - Maximum         | 121.92 mpm (400 fpm)                  |
| Wire/Cable Type                | Round                                 |
| Material Info                  |                                       |
| Engineering Number             | 5122                                  |
