### ► Slips, Trips & Fall Hazards:

Slips, trips and falls are one of the greatest issues for organizations, accounting for **1 in 6 lost-time injuries and 96 million workdays lost** per year.<sup>1</sup> One of the most frequent causes of slips, trips and falls is a wet work surface.

Brady SPC's BRIGHTSORB™ High Visibility Safety line helps prevent these incidents and injuries through its bright, highly visible yellow color as well as the iconic "slipping man" logo for multi-lingual caution messaging.
