

SJ-20T, 20-TON SCREW JACK

441320

JET® SJ Series Screw Jack is available in five capacities ranging from 5 to 25 Tons that hold the load without creeping. The cast bell shaped housing provides stability while the Jack design requires less effort to raise the load increasing productivity

FEATURES

- Industrial design eliminates creeping when holding heavy loads
- Heavy-duty cast bell shaped base provides a stable foundation in multiple lifting environments
- Corrugated pivoting head, contours to the load providing maximum surface contact
- Improved design requires less effort to lift a maximum capacity load
- Turning bar not included (available separately)
- Complies with ANSI/ASME B30.1 Standards

JET RED ASSURANCE 2-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
