

MANSFIELD SHOWER BASE INSTALLATION INSTRUCTIONS

1. Make sure the installation area is square, i.e., corner walls are at true 90° angles, and the flooring is level and capable of adequate load bearing.
2. Make sure the shower base is level and fully supported by the sub floor.
3. The flange area of the shower base should be fully supported by a 2" x 4" support or a solid mortar base (see diagram). **DO NOT NAIL THROUGH THE TILE FLANGE.**
4. For installations above the subfloor you must use a mortar mix and/or foam. The mortar or foam support must be solid from the sub floor to the shower base. Any gaps or air pockets can result in product damage. **DO NOT SHIM.**
5. Make sure the drain area is sealed in full compliance with all plumbing codes. **Note: DO NOT use thread sealing compound, or damage and/or leaking may occur. Hand tighten locknut only!**
6. After shower base has been installed in the proper manner, use a waterproof wallboard (not sheetrock) to attach to 2" x 4" wall framing (see diagram).
7. **DO NOT** install the wallboard over the tile flange. Install to the top of the flange (see diagram).
8. Make sure the bottom tile row or border for other wall surface materials allows for shower base extraction in the event of product damage (see diagram). Mansfield Plumbing Products will not be responsible for any installation and/or other charges related to the removal or installation of the product.

INSTALLATION DIAGRAM	CARE INSTRUCTIONS
	<ul style="list-style-type: none">• Clean your Shower Base with a non-abrasive detergent and warm water. DO NOT USE ABRASIVE CLEANERS.• Remove paint or stains immediately with Hydrogen Peroxide.• Polish with liquid or paste wax (regular waxing will make cleaning easier and maintain luster).• CAUTION: Caustic drain cleaner usage may cause surface damage.

WARRANTY

Mansfield Plumbing Products, LLC offers the following expressed warranty to the original purchaser of any Shower Base who purchases the product for personal or single family residential use (“user”). We will repair or replace, at our sole option, the product or its equipment in accordance with the following terms and conditions.

ONE (1) YEAR WARRANTY FOR ACRYLIC SHELL

Mansfield Plumbing Products, LLC extends to the user of the product a non-transferable One (1) year warranty from the date the product was originally purchased by the user, but not more than Two (2) years from the date of manufacture that the shell will maintain its structural integrity and be free of water loss due to a defect in the tub shell. This warranty covers only the product shell against defects in material or workmanship.

WARRANTY LIMITATIONS

In no event shall Mansfield Plumbing Products LLC be liable for incidental or consequential damages, for damages resulting from improper installation or for damages caused by handling, neglect, abuse or alteration. Our warranty does not cover defects or damage caused by the common carrier, installer, user or other persons resulting from, without limitation: careless handling, improper voltage supply/electrical modifications, misuse; incorrect operation; lack of or improper routine maintenance; incorrect or inadequate water use or use of improper cleaners. Chips, cracks and scratches are damages and are not covered under warranty; however, they may be repaired by a qualified technician at the user’s expense. Damages or defects that should have been detected before installation are not covered. All implied warranties, including any warranty of fitness for any particular purpose of merchantability, or those that might arise from a course of dealing with the purchaser or usages of trade, are hereby disclaimed or excluded.

Mansfield Plumbing Products is not responsible or liable for any delays or any failure to perform due to unforeseen circumstances or causes beyond Mansfield Plumbing Products’ control, when such delays or failure is due, directly or indirectly, to acts of God, war (including civil war), riots, embargoes, acts (whether sovereign or contractual) of civil or military authorities, acts of any government, major change in economic conditions, fires, floods, explosions, the elements, epidemics quarantine restrictions, strikes, lockouts, plant shutdowns, slowdowns, accidents, shortages of raw energy, materials, component parts, labor, or delays of suppliers or subcontractors.

Note: Some states do not allow limitations on an implied warranty, and some states do not allow exclusions or limitations regarding incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state. No person is authorized to change, add to, or create any warranty or obligation other than set forth herein. This is our exclusive warranty.

RESPONSIBILITIES OF OTHERS

Inspecting the unit prior to installation is the responsibility of the installer or building contractor who acts on behalf of the user. They are responsible for ensuring the unit is free of defect or damage. Notices are placed on and in the unit and on the shipping carton advising the installer of this responsibility. In the event of a problem, the unit must not be installed. The Company is not responsible for failures or damage that could have been discovered, repaired, or avoided by proper inspection and testing (including proper water testing) prior to installation.

Damage occurring in transit is the responsibility of the carrier. The user or installer MUST open the crate and inspect the unit for damage when it is delivered. If damage is discovered, it must be reported immediately to the seller and the carrier in writing, and an inspection requested. Failure of the carrier to respond should be reported to the seller and the carrier. Your freight claims should be filed promptly thereafter.

It is the responsibility of the installer, building contractor, or user to provide access for service. Mansfield Plumbing Products, LLC is not responsible for any costs relating to obtaining access for repair.

WARRANTY SERVICE

Mansfield Plumbing Products, LLC maintains a list of independent service personnel to perform required warranty service repairs. Such firms are not agents or representatives of Mansfield Plumbing Products, LLC and cannot bind us by words or conduct. We will provide warranty service when Mansfield Plumbing Products, LLC has been notified of the problem during the active warranty period and deemed the problem to be of the nature or type covered by the warranty.

The product serial number, users address and contact information must be provided to obtain warranty service.
