

# RESIDENTIAL DIMMERS & FAN SPEED CONTROLS

## radiant™ Multi-Location Dimmers

HCL453PMMW

The radiant™ collection is a step up from the standard with simple, classic options in wiring devices, home automation controls, and screwless wall plates that complement today's homes and hospitality settings.

### Features

- Part of the radiant™ collection.
- Multi-location dimming compatible with 3-way wiring for simple installation
- Can be paired with up to nine remote dimmers (HMRTC/HMRW) for multi-way dimming.

### Interchangeable Face Versions

- Package comes with three face colors – Ivory, White, Light Almond (TC).

- White-only option also available.
- Interchangeable faces available in nine colors (sold separately, see below).
