

HOSPITAL-GRADE USB CHARGER WITH TAMPER-RESISTANT 20A DUPLEX RECEPTACLES, RED

TR8300HUSBRED | [Pass & Seymour](#)

FEATURES & BENEFITS

Designed for the healthcare market and capable of withstanding heavy use due to its UL Hospital Grade certification. Features include an improved overall 3.1A USB charging capability, auto-ground clips, zinc-plated ground terminal screw, as well as triple-wipe brass contacts for lasting retention. The screw-pressure-plate back wiring makes installation fast and easy. Also available in black, brown, green, gray, ivory, light almond and white.

For detailed Tamper-Resistant receptacle information, visit our [Tamper-Resistant Receptacles](#) page.

- **Overall 3.1A USB charging capability:** Combination AC duplex receptacles include two 5-volt DC USB ports that work with USB 2.0 & 3.0 compatible devices
- AC receptacles available in 15 and 20 Amp, 125V
- AC receptacles are tamper-resistant as standard—patented shutter system prevents improper insertion of foreign objects.
- Multiple color options available.
- **Back and side wire terminals** accommodate #14 AWG - #10 AWG stranded and solid copper wire.
- Stainless steel auto-ground clips assure positive ground.
- For covering patents, see www.legrand.us/patents.
