**MODEL NO. 0206
LEG TUB FITTING**

The leg tub fitting has a cast brass body with replaceable seats. The fitting body and spout are polished and chrome plated. The outlet spout is designed for a push on hose connection. The spout fits hose with a 1/2-inch inside diameter. The compression stems are all brass with a double O-Ring seal and rubber seat washer. The canopy handles are zinc die cast with a chrome plated finish.
