# FUSION™

## NO ALKALINE BATTERY LASTS LONGER<sup>1</sup>

Guaranteed to last longer<sup>2</sup> in today's most power hungry devices.<sup>3</sup>

No competitor can outlast **RAYOVAC® FUSION™** premium alkaline batteries<sup>4</sup> – our longest lasting alkaline battery ever. Packed with energy-rich power, these batteries are specially formulated for power-hungry, high drain devices.

### Improved Current Collector

A longer, high purity brass nail creates stronger current capability.<sup>5</sup>

### Zinc Formula

Our patent-pending breakthrough zinc formula creates better ion transfer for more powerful energy.<sup>6</sup>

### High Purity Materials

Many of our materials meet pharmaceutical purity levels to control cell contaminants, extend shelf life, and avoid leakage.

### Smart Seal

A highly engineered seal that allows more space for active ingredients.<sup>5</sup>

### Max Can Capacity

Highly efficient case for safely containing and delivering maximum power.

# BRITE ESSENTIALS™

Flashlights don't have to be boring! Let the Brite Essentials™ series by RAYOVAC® add some colour and light to your life.

**Beam Distance**  
A measure of the maximum distance the light will travel to see an object. The higher the number, the longer the distance.

**Lumens**  
A measure of the total power of light emitted. The higher the number, the brighter the light.

**Run Time**  
The length of time the flashlight will run with batteries provided.

# RAYOVAC® SPECIALTY CELLS

## Coin Cell

Dependable power for the small electronics you use daily. Recommended for remote controls, medical devices, fitness trackers, bathroom scales, and more.

### Child Resistant Packaging

Tight, blister sealed package requires scissors.

### Lithium Technology

For long lasting power and less frequent battery changes.

## Electronic

Dependable power for the small electronics you use daily. Recommended for watches, toys, calculators, medical devices, and more.

### Multi-packs Available

An economical solution for devices requiring multiple batteries

### Silver Oxide Technology

For long lasting power

Quality products for a great price

## Lithium

Dependable power for camera equipment, so you'll never miss that perfect shot. Also recommended for flashlights, home security systems, hunting accessories, and more.

### 10 Year Storage

Holds power for up to 10 Years in storage.

### Lithium Technology

For long lasting power and precise performance.

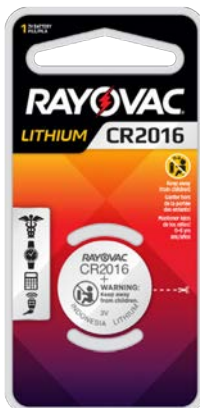

Power to capture the moment

# RAYOVAC® RECHARGEABLE

## RECHARGE

Less waste, more power. RAYOVAC® Rechargeable Batteries last up to twice as long as alkaline, and may help keep disposable batteries out of landfills. They come charged and ready to use, plus you can recharge them up to 1,500 times—that's getting your money's worth.

**Lasts Up to 2x Longer vs Standard Alkaline\*\***

Keep your devices powered up to 2 times longer! vs RAYOVAC® High Energy Batteries.

**Recharge Up To 1500 Times!**

RAYOVAC's highest cycle rechargeable cells!

**Batteries Come Charge & Ready To Use**

RAYOVAC® Rechargeable Batteries are ready to use right out of the pack. For optimal performance, RAYOVAC® recommends charging batteries prior to using.

**5 Year Power Guarantee\***

**Lasts up to 2x Longer than Alkaline batteries.**

## RECHARGE PLUS

Less waste, and even more power. RAYOVAC® Rechargeable Plus Batteries last up to four times as long as alkaline batteries, and twice as long as standard RAYOVAC® rechargeables. Use these powerful batteries time and time again to keep disposable batteries out of landfills and more money in your pocket.

**Extra LONG LASTING Power. More Power on Every Charge.**

**Lasts up to 4x Longer Than Alkaline Batteries**

Keep your devices powered up to 4 times longer! vs RAYOVAC® High Energy Batteries.

**Powerful 2400mAh (AA Cell)**

RAYOVAC's highest capacity rechargeable cells!

**Batteries Come Charged & Ready To Use**

RAYOVAC® Rechargeable Batteries are ready to use right out of the pack. For optimal performance, RAYOVAC® recommends charging batteries prior to using.

**5 Year Power Guarantee\***

# RAYOVAC® RECHARGEABLE

Recharges all battery

## BATTERY CHARGERS

The one-stop charging solution. This Rayovac Universal Charger works with all rechargeable battery sizes (AA, AAA, C, D, 9V) to keep the power going in all your devices. LED indicators show when batteries are charging, and the compact case comes with a plastic lid to block out dust and keep batteries secure. Rechargeable batteries may save you money and reduce waste, and this charger is the perfect way to get the most out of all your rechargeables.

### Auto Shut Off

Charger automatically shuts off after battery charging is complete.

### LED Indicators

LED lights will shut off when charging is complete.

### Charges Any AA/AAA NiMH/NiCD Batteries

Allowing for recharge of two or four AA or AAA NiMH/NiCD batteries.
