

Cougar Pro™ Hand Tools Catalog

PROFESSIONALLY MADE. AFFORDABLY PRICED.

Cougar Pro™ is a line of competitively priced, professional-grade hand tools. The line includes combination wrenches, reversible-ratcheting combination wrenches, single wrenches, adjustable wrenches, sockets, attachments and extensions as well as socket sets.

Cougar Pro tools are designed and engineered in the U.S.A. and manufactured using high-alloy steel for durability. All Cougar Pro hand tools meet or exceed appropriate ASME standards.

Cougar Pro combines easier affordability with better overall value.

Cougar Pro Hand Tools

PROFESSIONALLY MADE. AFFORDABLY PRICED.

The Cougar Pro brand is for those who need professional, dependable hand tools that are affordably priced for a great overall value. They are designed for construction, maintenance and assembly work. **All Cougar Pro hand tools carry a lifetime guarantee.**

Combination Wrench Sets

- Four sets available – two SAE sets and two Metric sets
- Full-polished, mirror chrome-plated finish
- Meet or exceed ASME B107.100 standards for combination wrenches
- Ergonomic handle fits hand comfortably
- 12-point box end with off-corner torque loading for greater strength
- Box-end bend of 15 degrees hand clearance
- Open-end offset 15 degrees with full engagement depth for fastener
- Chamfered and radiused, all edges smooth
- Stamped size easily identifiable on both sides of wrench
- Length engineered for proper leverage for each opening size
- Provided in a denim tool roll with extra stitching for long life

- M4110 – M4124 15 twelve-point, standard length metric hand sockets
- M4610 – M4619 10 twelve-point deep metric hand sockets

All have a full-polished plated finish. All sockets are 12-point, double hexes.

Combination Wrenches

All Cougar Pro combination wrenches are full-polished with a mirror chrome-plated finish. Our combo wrenches meet or exceed ASME B107.100 standards for combination wrenches.

- Ergonomic handle fits hand comfortably
- 12-point box end with off-corner torque loading for greater strength
- Box-end has a bend of 15 degrees for hand clearance
- Open-end offset 15 degrees with full engagement depth for fastener
- Chamfered and radiused, all edges smooth
- Stamped size easily identifiable on both sides of the wrench
- Length is engineered for proper leverage for each opening size

Reversible-Ratcheting Combination Wrenches

All Cougar Pro Reversible-Ratcheting Combination Wrenches meet or exceed ASME B107.66 standards for reversible-ratcheting combination wrenches.

- 72 teeth
- 5-degree arc swing
- Small head profile
- High torque capacity
- Made with high-alloy steel
- Ergonomic handle fits hand comfortably
- 12-point box end with off-corner torque loading for greater strength
- Open-end offset 15 degrees hand clearance
- Chamfered and radiused, all edges smooth
- Stamped size easily identified on both sides of wrench
- Length engineered for proper leverage for each opening size

Adjustable Wrenches

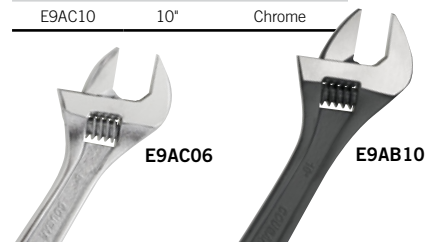

Available in four sizes: 6", 8", 10", 12" in two coatings: chrome and black. All Cougar Pro adjustable wrenches meet or exceed ASME B107.8 standards for adjustable wrenches

- Extra-wide opening for greater capacity in each length
- Deeper jaws provide greater fastener contact
- Non-protruding jaw shank despite wider opening
- Ergonomic handle has perfect width and thickness for hand
- Smooth slot for thumb to move worm screw
- Balanced weight distribution
- SAE and metric scales
- 4-thread worm screw provides better contact with movable jaw

Cougar Pro socket sets and open stock are in stock for immediate delivery. Contact your Cougar Pro distributor today.

Cougar Pro Lifetime Warranty

As long as you own it, any Cougar Pro product which fails to render service due to defect in workmanship or materials will be replaced at no charge. This warranty does not apply to any defects or problems caused in whole or part by misuse, abuse, alteration, or worn out from use. Cougar Pro makes no other warranties, express or implied, with respect to the tools or their suitability for specific applications. Replacement is the exclusive remedy, and Cougar Pro neither assumes, nor authorizes any person to assume for it, or any other warranty, or obligation or express implied.
