

BLUE MONSTER® Arctic Armor Thermal Shield

Arctic Armor Spray-on Thermal Shield Gel

Protects Surfaces from Heat!

Blue Monster® Arctic Armor creates a protective thermal barrier shielding surfaces from costly heat damage!

Features/Benefits

- Protects components and materials during soldering to avoid heat damage
- Protects valves during soldering
- Reduces the threat of costly heat damage to valve seals and gaskets
- Protects painted and finished surfaces from discoloration due to torch heat
- Unique gelled formula sticks to surfaces without dripping or running off
- Clear, non-staining gel leaves no residue, eliminating cleanup
- Safe, non-toxic, harmless to skin, and odorless
- Made in U.S.A.

It only takes half a minute for a small flame to turn into a full-blown, life-threatening fire. In as little as 30 seconds a small flame can become a raging fire that ravages a home and threatens the life of those inside.

Blue Monster® Arctic Armor creates a thermal barrier that protects surfaces from costly heat damage during soldering, welding and brazing operations. Spray on hard-to-reach surfaces or apply to any surface to shield studs, walls, floors and other surfaces from flames, sparks and molten splash.

Arctic Armor's unique gelled formula sticks to surfaces without drips and runs, and evaporates within 48 hours eliminating cleanup. Arctic Armor is non-toxic, non-corrosive, non-flammable and 100% biodegradable!

For Use On

- Valves and fittings
- New construction and piping installation
- Shower valves installation and repair
- Trim work and cabinetry
- Drywall and studs
- Commercial rooftop repair
- Furnace repair and installation
- Refrigeration repair and installation
- Medical gas systems
- Valve installation and repair
- Welding

| Cat # | Size | Std. Pack | Weight |
|-------|-------------------------|-----------|-----------|
| 71024 | 16 fl. oz. / .473 liter | 12 | 18.0 lbs. |
| 71028 | 32 fl. oz. / .947 liter | 12 | 32.0 lbs. |
