## Features

### Safety Close

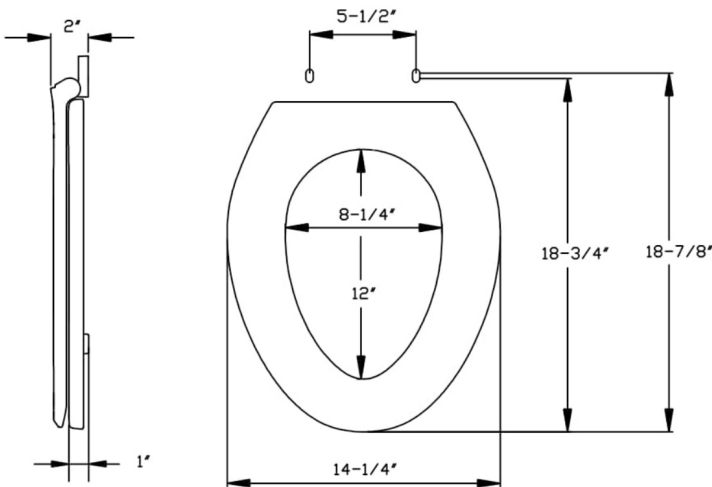

Safety Close hinge eliminates slamming, prevents child or pet injury.

### Length Adjustment

Seat can be adjusted during installation for proper fit.

### Centocore Wood

"Centocore™ It's Wood. Only Better.™ Centocore™ patented technology offers a polypropylene shell over a composite molded wood core. Won't crack, chip, peel or fade like conventional painted wood flour seats."

Dimensions shown are nominal and may vary within a range of tolerance. Product specifications are subject to change without notice.
