Harnessing energy-efficient performance, proven technology, and *air intelligence*.

Packaged Unit Models

Standard Efficiency DFC | DFG | DFH
(3-6 Ton)

High-Efficiency DRC | DRG | DRH
(3-6 Ton)

Standard Efficiency DFC | DFG | DFH
(7½ -12½ Ton, 7½ -10 Ton Heat Pump)
High-Efficiency DRC | DRG
(7½ -12½ Ton)

Standard Efficiency DFC | DFG
(15 -25 Tons)

DP14HM | DP14CM | DP14GM | DP14UM

Air Handler / Split System

Commercial Air Handler (DAX)

Split System Air Conditioners DX3SEA | DX14XA
Split System Heat Pumps DZ4SEA | DZ14XA

Commercial comfort. No compromise.

Get curb appeal, energy efficient performance and outstanding product limited warranties*.

Get on the ground floor with one of the world's largest HVAC manufacturers and start growing your business. Daikin brand commercial packaged units offer ease of installation, efficient operation and outstanding product limited warranty* coverage. Whether you need a straight cooling

unit, heat pump, or gas/electric, you'll find cogent features that meet your project needs as well as our most durable tubular heat exchanger. When you want the best, don't compromise. Demand Daikin!

DF and DR Series

Select Field Accessories

- » 14" and 24" Roof Curb
- » 25% Manual Fresh Air Damper
- » 25% Motorized Fresh Air Damper
- » Burglar Bar Sleeves with Supply and Return
- » Concentric Duct Kit
- » Condenser Coil Hail Guards
- » Downflow Economizer
- » Electric Heat
- » High Altitude Kit (Gas/Electric)
- » Horizontal Economizers
- » Hold Down Bracket Kit
- » Low Ambient Kit
- » LP Conversion Kit (Gas/Electric)
- » Power Exhaust
- » MERV 8 and MERV 13 Air Filters
- » Crankcase heater kits

Factory-Installed Options

- » Stainless Steel Heat Exchanger (Gas/Electric Units)
- » Electric Heat Kits (Heat Pumps and Air Conditioners)
- » Low Ambient Kit
- » Condenser Coil Hail Guards
- » High-Static Kit (select models)
- » Downflow Economizer
 - Ultra Low-Leak
 - Low-Leak
- » Non-Fused Disconnect Switch (3-phase only)
- » Powered Convenience Outlet
- » Non-Powered Convenience Outlet
- » Smoke Detectors (Supply Air and/or Return Air)
- » Hinged Doors
- » Phase Monitor
- » High-Static Kit (select models)
- » Daikin DDC *iLINQ* controller
- » HGRH (Available on DRC and DRG models)

DP14 M Series

Field Accessories

- » Horizontal Duct Covers
- » Downflow Economizer
- » External Horizontal Filter Rack
- » Horizontal Economizer
- » 25% Manual Fresh Air Damper
- » 25% Motorized Fresh Air Damper
- » Outdoor Thermostat and Emergency Heat Relay Kit
- » Outdoor Thermostat Kit with Lockout Stat
- » Roof Curb
- » Square to Round Adapters
- » High Altitude Kit (Gas/Electric Units)
- » LP Conversion Kit (Gas/Electric Units)

DX3SEA/DX14XA Series

Accessories

- » Anchor Bracket Kit
- » Anti-Short Cycle Kit
- » Freeze Protection Kit
- » Liquid Line Solenoid Kit
- » Low Ambient Kit
- » Crankcase Heater
- » Outdoor Thermostat
- » TXV Kit

DZ4SEA/DX14XA Series

Accessories

- » Anchor Bracket Kit
- » Low Ambient Kit
- » Freeze Protection Kit
- » Outdoor Thermostat
- » Outdoor Thermostat with Lockout Stat
- » TXV Kit

¹ Not all options/accessories are available for all units. Please see product specifications for more details on accessories and options available.

About Daikin:

Daikin Industries, Ltd. (DIL) is a global Fortune 1000 company and is recognized as one of the largest HVAC (Heating, Ventilation, Air Conditioning) manufacturers in the world. Founded in 1924, Daikin is approaching 100 years of HVAC worldwide leadership. DIL is primarily engaged in developing indoor comfort systems and refrigeration products for residential, commercial, and industrial applications. Its consistent success is derived, in part, from a focus on innovative, energy-efficient, and premium quality indoor climate and comfort management solutions.

Daikin provides innovative, premium quality indoor climate management solutions to meet the changing needs of residential, commercial and industrial customers.

ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

Visit www.daikinac.com to learn more.

Gas/Electric only:

For installation in California's South Coast Air Quality Management District (SCAQMD) only: This furnace does not meet the SCAQMD Rule 1111 14 ng/J NOx emission limit, and thus is subject to a mitigation fee of up to \$450. This furnace is not eligible for the SCAQMD Clean Air Furnace Rebate Program: www.CleanAirFurnaceRebate.com.

Our continuing commitment to quality products may mean a change in specifications without notice.
