Premium Dog Chews

FIELDCREST FARMS™ is Proud to Offer All-Natural, Grain-Free, Single Ingredient Chews.

At Fieldcrest Farms, we believe our pets deserve the very best. We know first-hand that wholesome nutrition is essential to their health and happiness. Our mission is to provide only the highest quality, all-natural, limited ingredient chews for our furry family members. We source our ingredients from trusted suppliers, so you can rest assured knowing your pups are getting the very best!

NATURAL BEEF CHEWS

Our beef bones and cow ears are hearty, durable chews that will give dogs hours of chewing satisfaction. Made from grass-fed, free range beef, they are 100% all natural, low in fat, high in protein and grain free.

BULLY STICKS

Our oven baked bully sticks are a great low-fat, highly digestible treating solution for our furry companions. Made from grass-fed, free range beef, they are 100% all natural, gluten and grain free. Due to our stringent processing protocols, our low-odor bully sticks offer a highly digestible chewing option that is sure to provide maximum enjoyment for pets. Our bully sticks are hand selected for size consistency, naturally cleaned and roasted in their own juices for maximum flavor.

NATURAL PORK CHEWS

Our pork bones and pig ears have a deliciously meaty flavor that dogs find irresistible. Pig ears are highly digestible, making them a healthy alternative to traditional rawhide. Baked to perfection for maximum flavor, they are 100% all natural, high protein, hearty snacks.

BULLY CRUNCHERS

The first real, all-natural alternative to bully sticks that offers pet parents a solution to the rising costs and decreasing supply of traditional bully sticks. Made from the tender head skin of grass-fed, free range beef cattle, Bully Crunchers are a highly palatable, easily digestible, single ingredient long-lasting chews.

NOTHIN' TO HIDE™ - RAWHIDE ALTERNATIVE

Our BRAND NEW rawhide alternative is made from naturally derived beef collagen. This patent pending innovation offers a highly digestible option to treating with traditional rawhide. Collagen based chews offer healthy benefits to our pets' skin, coat, joints and muscles. Our innovative recipes are 96% digestible and offer an assortment of flavors and sizes best suited for our pets' chewing needs.
