

Javelin™

Tub and Sink Treatment

Javelin™ Tub and Sink Treatment is the strongest liquid alkaline, non-sulfuric drain opener on the market. Un-blocks slow running and clogged bath tubs, basins and kitchen sink drains liquefies hair and grease, restores drain to original flow capacity. Javelin™ Tub and Sink Treatment can also be used to un-block organic clogs in garbage disposals, drinking fountains and condensate drains.

FEATURES

HEAVIER THAN ANY LIQUID ALKALINE DRAIN OPENER
Javelin™ Tub and Sink Treatment bores right through standing water to the clog where it is needed - others aren't as heavy and become diluted before hitting the clog.

MAXIMUM STRENGTH
Javelin™ Tub and Sink Treatment is twice as strong as any alkaline drain opener in a liquid form on the market today.

SAFE ON PLUMBING
Compatible with PVC, cast iron, copper and ABS drain lines, rubber seals, porcelain and is safe for use in grease traps and septic systems.

FRESH LEMON SCENT
Deodorizes as it cleans, unlike acid-based openers.

SPECIFICATIONS

Physical Form: Liquid
Color: Water White to Slight Yellow
Odor: Lemon
pH: >13.0
Specific Gravity: >1.20
wt/gal:>10.00
Flash Point: Not Applicable
Shelf Life: One Year Minimum
