RS115-WCP

15 Amp Toggle Switch, Grounding Clip, White

Switch Framed Toggle, Single Pole, Quiet Switch, 15A-120V AC, Residential Grade, Quickwire and Side-Wired, Terminal Clamps, Grounding Clip, Ground Screw, Color: White

Tried-and-true toggle designs, Leviton Residential Grade AC Quiet Switches cover all the bases; they install easily and are available in standard and illuminated versions. Their toggles and frames are constructed of impact-resistant thermoplastic, and they feature large head, hardened triple-drive screws for easy installation. Leviton's traditional switches are compatible with a wide range of Leviton plastic and metal wallplates.
