

trout, panfish, grayling | large crappie, all bass species, salmon, large trout, steelhead, walleye | musky, pike, largemouth bass, strippers, large salmon

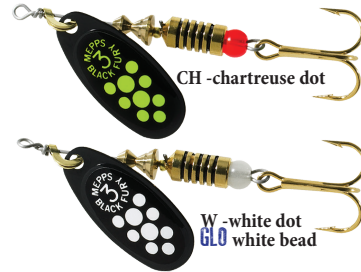

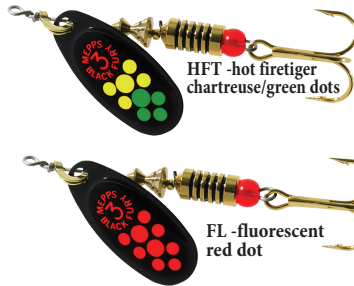

**Actual Black Fury® Blade & Body Sizes**

# Black Fury®

The special Black Fury® blade spins closer to the body than the classic Aglia® blade so it easily fishes shallow to mid-depths. This is an excellent low light (early morning, evening or overcast) spinner as well as a perfect choice for sunny days in less clear waters. The dressed version features bucktail or squirrel tail.
