- Protective Plastic
- Masking Paper
- Foam Masking and Fine Line Tape

QUALITY THAT PAYS™

PROTECTIVE PLASTIC

Norton Blue Sheeting

With premium Norton Blue Sheeting, paint will adhere to the outside of the plastic eliminating paint flake-off. Therefore, Blue Sheeting can be cut and taped along the critical edge, replacing the need for masking paper. The cling of the Blue Sheeting makes it easy to handle as it covers the area that is to be protected making it a trusted and versatile product for any shop.

FEATURES & BENEFITS

- Tri-layer paintable sheeting is easy and fast to apply, and clings to the vehicle's body even after being repositioned
- Corona-treated so the overspray paint won't flake off and create rework
- 3-ply resin formula provides excellent tear resistance, prevents bleed through, and is solvent resistant
- Conveniently packaged on a standard core to fit all current masking dispensers, making it simple for one person to apply

DESCRIPTION	12' x 400'	14' x 350'	16' x 350'	20' x 350'
Blue Sheeting	636425 03344	636425 03697	636425 03345	636425 03723
Case	1	1	1	1

Norton Overspray Sheeting

Norton Overspray Sheeting is an economical choice for paintable sheeting. The medium density, Corona-treated plastic is available in two sizes for a variety of shop needs.

FEATURES & BENEFITS

- Medium-density, solvent resistant plastic clings well and is easy to handle and protects vehicle from bleed-through
- Corona-treated plastic prevents paint from flaking off

DESCRIPTION	12' x 400'	16' x 400'
Overspray Sheeting	636425 06727	636425 06728
Case	1	1

Norton Blue Wrap Protective Plastic

Blue Wrap Self-Adhesive Weather Barrier

Designed as a temporary weather barrier for a broken window, windshield, sunroof, sprung door or missing panel, Norton Blue Wrap keeps the interiors of damaged vehicles dry and clean when stored outside. Should not be baked or installed on wet or damp surfaces.

Blue Wrap Wheel Maskers

Norton Blue Wrap Wheel Maskers offer excellent cling, superior paint adhesion and are easy to dispense from a perforated roll.

FEATURES & BENEFITS

- Clear film with built-in UV inhibitors for interior protection from the sun
- Weather barrier adheres well to metal and glass, yet can be easily repositioned
- Versatile 36" width will cover windshields on most cars, SUV's and light trucks in one pass
- Strong cling offers ability to stay on vehicle for up to 30 days

DESCRIPTION	36" x 100'
Weather Barrier (9 lbs.) 3 mil thick	636425 05920
Case	1

FEATURES & BENEFITS

- Tri-layer plastic creates a thick barrier to ensure wheels are protected during the painting process
- Paint adheres to the plastic preventing it from flaking off
- Fully covers both sides of wheels up to 17"

DESCRIPTION	PART #
Wheel Maskers (50/roll) Paintable	636425 05922
Case	1

Blue Wrap Bucket Seat Covers

The Norton Blue Wrap Seat Cover is a unique two-layer, co-extruded patented product that protects vehicle seating surfaces from grease, oil and most chemicals. The manufacturing process allows the bottom layer to grip the seat and hold the seat cover in place while the top layer provides access for technicians to slide in and out with ease.

Blue Wrap Floor Mats

Norton Blue Wrap Floor Mats are a unique two-layer, co-extruded product that protects vehicle floor surfaces from grease, oil and most chemicals. The co-extrusion process allows the bottom layer to grip the floor and hold the protective mat in place.

FEATURES & BENEFITS

- Full coverage, from head rest to floor
- Will not slip or bunch up
- Protects seats from grease, dust and chemicals
- Perforated every 32" for full seat coverage

FEATURES & BENEFITS

- Excellent ability to grip means mats will not slip or tear
- Protects floor from grease, dust and chemicals
- Generously sized at 16-1/2" x 21"
- Roll is perforated every 16-1/2" for ease of use

DESCRIPTION	PART #
Bucket Seat Covers (125/roll) Non-Slip	636425 05921
Case	1

Case	1

MASKING PAPER

Norton Paint Check Masking Paper

Norton Premium White Paint Check Masking Paper is Corona-treated so paint won't flake off, poly-coated to protect against bleed-through and has a built-in Norton Paint Check design for convenience. A stronger, yet thinner paper, it easily conforms to tight curves without tearing.

FEATURES & BENEFITS

- Corona-treated so paint won't flake off and poly-coated to protect against bleed-through
- Features built in "Paint Check" design for use confirming proper paint flow and coverage
- Tear-resistant paper makes it easy to reposition tape without ripping
- White paper does not distort the lighting during the painting process
- Resistant to waterborne and solvent-based products

DESCRIPTION	6"	12"	18"	24"	36"
Masking Paper (750' boxed)	636425 00402	636425 00403	636425 00404	636425 06224**	636425 00407
Case	1	1	1	1	1

Each 750' boxed case is a 36" log. Length is approximate. ** 24" is single log.

PREMIUM MASKING TAPE

Norton Foam Masking Tape

Norton Foam Masking Tape is an easy-to-use, time-saving product to mask door jambs and other apertures like hood and deck lid openings that need to be sealed during the painting process. Produces a soft edge, rather than a hard paint line, so rework is eliminated and productivity is increased. Available in Premium (20mm) and Standard (13mm).

FEATURES & BENEFITS

Premium (20mm)

- Apply to fixed or moving parts
- Offset adhesive keeps adhesive away from the paint edge
- Semi-split design conforms easily to most apertures without rolling to ensure a smooth paint edge
- Continuous roll that does not distort when torn

FEATURES & BENEFITS

Standard (13mm)

- Apply to fixed parts
- Reduce mask time

DESCRIPTION	13MM (1/2")	20MM (3/4")
50m Roll	662544 70735	662544 70746
Case	1	1

Norton Blue Fine Line Tape

Norton Blue Fine Line Tape is ideal for intricate curves and angles, rivets and seams, and for flush mounted windshields. Works extremely well for striping, custom paint-work and two-tone separations.

FEATURES & BENEFITS

- Excellent conformability and adheres to sharp bends and turns
- Specially formulated adhesive sticks to a variety of automotive surfaces, leaves no residue, and performs well on bake cycle
- Performs on bake cycles up to 180° F

DESCRIPTION	1/8"	1/4"	1/2"
36 Yard Roll	636425 72018	636425 72014	636425 72012
Case	12	12	12
