### Description

Aerators attach to your faucet to reduce the gallons per minute used out of kitchen and bath faucets, while still maintaining a normal pressure. Aerators are a great way to reduce your water usage and utilities bills at the same time.

15/16" male

Reduces water flow to 1.5 gallons per minute (GPM)

Cyclone Force™ technology allows you to save water without sacrificing water pressure

Meets the EPA's criteria for water-efficient products (WaterSense®)

Microban® antimicrobial technology fights the growth of odor-causing bacteria, mold, and mildew
