Length	15"
Weight	5.8 lbs
Switch Type	Paddle No-Lock
Speed	8,500 RPM
Trigger Lock	No
Vibration Reduction	Yes
Tool Free Guard	Yes
Arbor Size	5/8"-11
Package Type	Extended Kit

Overview

The world's first cordless grinder delivers the power of a corded grinder with up to 2X more run time and up to 10X longer motor life. The M18 FUEL™ 4-1/2" / 5" Grinder supplies maximum sustained power to complete the toughest grinding, surface preparation and cutting applications. The POWERSTATE™ Brushless Motor provides up to 10X longer motor life and lower cost of ownership. The M18™ REDLITHIUM™ XC4.0 Battery Pack delivers up to 4X more run time and 20% more power. The grinder features REDLINK PLUS™ Intelligence, the most advanced system of cordless power tool electronics, for maximum performance.

The 18-volt lithium-ion grinder's thin body design gives it optimized balance to rest easily in your hands. Tool-free accessory changes and guard adjustments mean less downtime during work. The grinder is built with the same tool body, gearing system and anti-vibration side handle as Milwaukee's legendary high-performance corded grinders for maximum durability on the job. Includes an M18™ REDLITHIUM™ XC4.0 Extended Capacity Battery Pack and a carrying case. Grinding wheel sold separately.
