

PB B'laster Penetrant

16-PB-DS

What it Does: Loosens rusted or frozen parts caused by corrosion.

Key Edge: Non-evaporating lubricant protects equipment and prevents further rust.

Why It Wins: #1 penetrant since 1957, trusted by professionals.

Use Cases: Automotive, industrial, plumbing, and mechanical jobs.

Extra Value: Lasting rust protection.

Size: 11 Oz Case Qty: 12

Cases Per Pallet: 120 Units Per Pallet: 1440

Silicone Lubricant Spray

16-SL

What it Does: Provides lasting lubrication to reduce friction and wear.

Key Edge: Clear, non-evaporating, safe, and non-staining.

Why It Wins: Extends part life by reducing friction.

Use Cases: Bearings, bushings, cables, chains, seals, tools, and tracks.

Extra Value: Resists dust and dirt for smooth, clean performance.

Size: 11 Oz Case Qty: 12

Cases Per Pallet: 120 Units Per Pallet: 1440

Citrus Based Degreaser

16-CBD

What it Does: Removes tar, grease, oil, resin, and adhesive from most surfaces.

Key Edge: Fast-acting spray wipes clean and rinses with water.

Why It Wins: Highly versatile for wide cleaning needs.

Use Cases: Interiors, appliances, metal, grills, marine, machinery, and more.

Extra Value: Rinses residue-free.

Size: 11 Oz Case Qty: 12

Cases Per Pallet: 120 Units Per Pallet: 1440

Advanced Small Engine Tune Up

16-SET

What it Does: Supports preventative maintenance for 2- and 4-cycle engines.

Key Edge: Dissipates moisture, inhibits rust, and frees rings and valves to restore power and compression.

Why It Wins: Boosts performance and engine life.

Use Cases: Mowers, trimmers, edgers, generators, saws, snow blowers, and more.

Extra Value: Improves reliability and reduces costly repairs.

Size: 11 Oz Case Qty: 12

Cases Per Pallet: 120 Units Per Pallet: 1440

White Lithium Grease

16-LG

What it Does: Forms a protective barrier against moisture and oxidation.

Key Edge: Low-odor, clean white grease delivers low-friction, heavy-duty protection.

Why It Wins: Reliable across many applications and conditions.

Use Cases: Hinges, latches, gears, hitches, bearings, chains, bushings, pulleys, and slides.

Extra Value: Long-lasting lubrication reduces wear and extends part life.

Size: 11 Oz Case Qty: 12

Cases Per Pallet: 120 Units Per Pallet: 1440

Garage Door Lubricant

16-GDL

What it Does: Lubricates garage door parts for smooth, quiet operation and less wear.

Key Edge: Tack-free film prevents dust and dirt buildup.

Why It Wins: Stops squeaks and improves garage door performance.

Use Cases: Tracks, hinges, rollers, springs, and other moving parts.

Extra Value: Extreme pressure agents can sometimes replace grease.

Size: 9.3 Oz Case Qty: 12

Cases Per Pallet: 120 Units Per Pallet: 1440
